

JERMY L

Cloud Infrastructure Engineer

123-456-7890 • jermy.l@example.com • <https://www.linkedin.com/in/jermy-l> • New York, NY

Summary

I am a skilled Cloud Infrastructure Engineer with over three years of experience in building and optimizing cloud environments. My background includes extensive work in managing compute resources and implementing cost-effective solutions. I thrive on challenges, particularly in improving performance and ensuring high availability in cloud services. I am passionate about continuous learning and leveraging new technologies to enhance infrastructure management.

Experience

Cloud Solutions Inc.

New York, NY

Cloud Infrastructure Engineer

06/2020 - Present

A leading provider of cloud service solutions focused on performance and security.

- Built and maintained scalable cloud infrastructure for multiple applications.
- Managed compute, storage, and networking resources effectively and securely.
- Implemented backup, disaster recovery, and high availability solutions.

Innovate Cloud Services

Austin, TX

Infrastructure Engineer

03/2018 - 05/2020

Provided innovative cloud services and infrastructure management.

- Executed system upgrades and patching for optimal performance.
- Led the team in optimizing the infrastructure for cost management.
