

JUDY FOSTER

Cloud Systems Engineer

555-123-4567 • judy.foster@email.com • <https://www.linkedin.com/in/judyfoster> • Tech City, ST

Summary

I'm a Cloud Systems Engineer with over 5 years of experience in managing cloud environments. I specialize in configuring and maintaining cloud-based servers while ensuring system security and performance. My expertise in automation significantly enhances provisioning processes, and I'm passionate about leveraging technology to optimize cloud operations.

Experience

Tech Innovations Inc.

Cloud Systems Engineer

Tech City, ST

06/2019 - Present

A leading technology solutions provider focusing on cloud infrastructure and services.

- Configured and maintained over 50 cloud-based servers for different projects.
- Implemented OS-level security measures, enhancing system security by 30%.
- Developed automation scripts reducing provisioning time by 40%.

Cloud Solutions Ltd.

Systems Engineer
