

Avin Pazhayattil

AI & ML Engineer

Palakkad | +91 7034474251 | pazhayattilavin@gmail.com

Profiles	GitHub: pazhayattilAvin LinkedIn: pazhayattilavin	
Career Objective	B.Tech graduate specializing in Artificial Intelligence and Data Science at Anna University, with a strong foundation in machine learning and full-stack development. Built and deployed real-world AI projects, including mental wellness assistants and object detection systems, using Python, React Native, MongoDB, and Firebase. Passionate about developing impactful tech solutions that solve real-world problems and enhance user experiences.	
Education	CMS College of Engineering and Technology Artificial Intelligence & Data Science. 8.2 GPA	June 2026 B.Tech
	St. Raphael Cathedral School Computer Science 67%	March 2022 Higher secondary
	St.Raphael Cathedral School 74%	2020
Technical Skills	Programming Java,Python, HTML, CSS, React Native Databases MongoDB, Firebase Tools & Platforms Git/GitHub, VS Code, AWS,PowerBI	
Area of Interest	Virtual Reality and Augmented Reality	Military Technology
	Neurotechnology	n8n-Ai workflow automation
Projects	Project 1:MindMate - (15 days) Offline Mental Wellness Assistant Developed a fully offline mental health support app using React Native and Expo with mood tracking, journaling, breathing exercises, and PIN-based security. Enhanced user experience with chart-based mood history, Lottie animations, and optional AI-powered mood advice.	June 2025
	Project 2: TargetSight - (25 days) A real time AI surveillance assistant for the military Independently developed a real-time AI-powered surveillance system using Python and ML to detect and classify threats like persons, vehicles, tanks, and drones. Integrated computer vision with voice alerts for instant notification, enhancing battlefield awareness, response time, and military decision-making.	June 2025

Internship

Hexcent Pvt Ltd-Kochi

Project Intern(August 2024)

Duration : 30-days

Worked on full-stack development , including frontend, backend, database management, and user interface design, gaining practical experience in software development. Worked on a Restaurant Website Project using HTML , CSS and Reactjs. Assisted on other project developed by my colleagues

Certifications

AWS Mega Workshop

NxtWave

Participated in AWS Mega Workshop, gaining hands-on experience with cloud computing services, deployment, and scalability. Enhanced practical knowledge of AWS tools and best practices for real-world applications.

Model Context Protocol Mega Workshop

NxtWave

Participated in Model Context Protocol (MCP) Mega Workshop, exploring advanced AI/ML workflows and context-driven model integration. Gained hands-on experience in building scalable, efficient solutions using cutting-edge MCP frameworks.

PowerBI

ICT academy

Completed hands-on training in Power BI, focusing on data visualization, dashboard creation, and business intelligence reporting. Gained practical skills in transforming raw data into actionable insights for decision-making.

Tamil

Accomplishments

Single's badminton

First prize

Achieved First Prize in Singles Badminton Tournament, highlighting agility, stamina, and strategic gameplay. Demonstrated consistency, discipline, and competitive excellence.

Carrom tournament

First prize

Secured First Prize in a Carrom Tournament, showcasing focus, precision, and strategic thinking. Demonstrated strong concentration and competitive spirit in achieving top performance.

July 2019

June 2024

Declaration

I hereby declare that the particulars furnished above are true and correct to the best of my knowledge and belief.

Place:

Yours faithfully,

Date:
