PR

SUMMARY

With over 10 years of experience in cloud infrastructure, I specialize in building and maintaining robust cloud environments. My expertise encompasses a range of technologies, including virtual machines and automation tools like Terraform. I am passionate about optimizing costs and enhancing performance to support business goals effectively.

EXPERIENCE

Senior Cloud Infrastructure Engineer

Tech Solutions Inc. 08/2015 - Present Bangalore, India

A leading provider of cloud computing solutions and IT services.

- Built and maintained scalable cloud infrastructure for multiple applications.
- Managed compute, storage, and networking resources effectively across various platforms.
- Implemented backup and disaster recovery procedures ensuring high availability.

Cloud Infrastructure Engineer

Cloud Innovations Pvt. Ltd. 06/2010 - 07/2015 Chennai, India

Provided infrastructure solutions tailored for businesses' cloud requirements.

- Optimized infrastructure for cost and performance resulting in a 20% reduction in expenses.
- Performed system upgrades and patching, leading extensive availability scopes.
- Collaborated with cross-functional teams for smooth cloud deployments.

Junior Cloud Engineer

SoftTech Systems 01/2013 - 05/2015 Mumbai, India

Focusing on cloud infrastructure and managed services for various enterprises.

- Implemented infrastructure as code using Terraform and Ansible to automate deployments.
- Managed container orchestration and virtualization for a seamless service delivery.
- Developed security protocols for cloud networking and storage services.

EDUCATION

Bachelor of Technology in Computer Science

Indian Institute of Technology

09/2009 - 06/2013 Hyderabad, India

LANGUAGES

English Native Hindi Proficient

STRENGTHS

Infrastructure as Code Expert

Proficient in implementing Infrastructure as Code principles to accelerate development.

Performance Optimization Specialist

Strong analytical skills that aid in optimizing system performance.

Effective Communicator

Effective communication skills for cross-team collaboration and stakeholder management.

KEY ACHIEVEMENTS

Cloud Migration Leader

Successfully led a cloud migration project that improved service reliability by 30%.

Cost Optimization Expert

Designed and implemented a cost-saving strategy that reduced infrastructure costs significantly.
